- Cinema Movies App [Kotlin ,XML,MVVM architecture].
- App shows current movies in the cinema and movies coming soon.
- Users can reserve tickets and buy snacks.
- Allows users to save favorites to a watchlist.

Courses

Digital Egypt Pioneers Initiative DEPI   **20 May - 30 October 2024**

- Java , Kotlin and Dart programming languages.
- OOP.
- Android App development.
- Flutter App development.

Information Technology Institute Intern 🔗   **15 July - 15 November 2023**

- Developed Android applications using Kotlin and Jetpack Compose.
- Gained proficiency in XML, Android basics, Room DB, RESTful APIs, Retrofit, Firebase, broadcast receivers, intents, threads, WorkManager, AlarmManager, coroutines, Jetpack libraries, MVVM architecture, and clean architecture.

Orange Digital Center Intern 🔗   **4 April- 4 March 2023**

- Developed Android applications using Java .
- Acquired skills in Android Studio SDK, XML, layouts, RecyclerView, ListView, adapter pattern, RESTful APIs, and Google Maps API.

Skills

- Java
- Algorithms
- Jetpack Compose
- Room Database
- Dependency Injection
- Problem solving
- Kotlin
- SQL
- Coroutines
- Clean architecture
- Solid Principles
- Design patterns
- OOP
- Android Development
- Retrofit
- MVVM architecture
- Clean code
- Dart
- Data Structures
- XML
- Restful APIs
- FireBase
- Git / GitHub
- Flutter
